Accompanied by an experienced chauffeur-guide, you will visit the majestic Cathedral of Reims and enjoy a traditional lunch in Epernay. You will learn everything you need to know about Champagne on your guided tour of the wine cellars of the famous Moët et Chandon and also have a tour of a local producer. This day will be accompanied by delicious Champagne tastings. Depart from Epernay to arrive back at your Paris accommodation at around 5:30 pm. The tour lasts about 10.5 hours.

DAY THREE

Today your New York trip comes to an end, transportation will be arranged to your departure destination. We hope you have enjoyed your stay and hope to see you again soon!

PLEASE NOTE:

From April 1st, the tour changes: the visit of the Reims Cathedral will be replaced by a photo-stop in the small town of Hautvillers, known for its abbey which hosted Dom Pérignon, one of the most innovative people in the Champagne industry. While the grape harvest season is taking place between mid-August and the end of September, wine making is carried out from mid-September till the end of October.
